

Seminars on Pragmatism and the Philosophy of Practices

Thursday, 19 December 2019, h. 11,00, Sala Paci,
Department of Philosophy, University of Milan,
Via Festa del Perdono 7 – 20122, Milano

Claudio Paolucci

Dipartimento di Filosofia
e Comunicazione
Università di Bologna

PRAGMATISM AND COGNITIVE SEMIOTICS

In this talk Claudio Paolucci will underline the specificities of a cognitive semiotics. After a general definition, the speaker will discuss the three dimensions that, in his opinion, constitute a cognitive semiotics, i.e.:

- i) radical enactivism;
- ii) a pragmatist theory of meaning;
- iii) material engagement theory.
